SENIORS

SENIOR CLASS HISTORY OF "65"

In September, 1961, we new and scared freshmen began our long, tedious trek through the hallowed halls of Reading High. We didn't know what to expect, but we were prepared to embark upon our high school career with open hands and willing hearts. Little did we know then how much we had to learn. To guide us through the first mile of our journey, we chose our class officers. Lynn Kessler presided as president; Rodger Spencer, vice president; Robbie Rudd, treasurer; and Francis Gullett, secretary. That fall we held our first dance since becoming high school students: "Autumn Leaves." We learned many things that first year, and we worked hard! The Alma Mater we sang proudly at every assembly. Through football season, basketball season, baseball season, the plays, music festivals, and many other activities, we learned to love high school with all its hard work and study. But the year passed quickly; final exams were over; school was dismissed for the summer.

The next fall, we advanced to the position of sophomores in a brand new high school. Everything there was different, but exciting too! Soon the new school became an old friend, and we settled down for another year of learning. Officers for our second mile were elected. Bob Woodruff was chosen president; Bob Gerwell, vice president; Pat Krenning, treasurer; and Carol Harris, secretary. In December, the traditional sophomore Christmas dance was held: "Wonderland By Night." We were "old hands", freshmen no longer, but still we learned new things every day. New ideas formed, but our eagerness never flagged. Before we could think twice, efforts of the year had come and gone in turn. And with final exams over, our sophomore year suddenly became a part of the past. Two down, two to go!

Summer melted into fall, and we became proud upper classmen as juniors. It seemed unreal! After only two short years, there we were-juniors. Now we knew what to expect and what was to be expected of us. The third mile was headed by Carl Erkenbrecher, president; Roger Edwards, vice president; Pam Brand,treasurer; Roy Weisenborn, assistant treasurer; and Susan Staab, secretary. The tension mounted and we finally received the true mark of upper classmen-our class rings! That was quite a proud day in our history, and we flashed our rings at everyone we met! But the year rolled on, unveiling new mysteries to be solved and new goals to be fulfilled. Like a giant hurricane, activities of the year whizzed by. That is all except one the prom. Everyone pitched in and made "Shangri-La" a success. After the prom, exams were yapping at our heels, and soon yet another year had slipped into the past.

With summer vacation and laziness over, and "goofing off" put aside, we entered the last year of high school as slap-happy seniors. Had we finally made it? Had we finally attained that ultimate goal? Yes, but the shock was a little hard to believe at first! Soon we fell back into the "old swing", slaving away at compositions for our favorite tyrant, Mr. O'Brien. (Note to underclassmen: Beware of the ides of Mr. O'Brien!). Carl Erkenbrecher served as second term as president; Carol Ashley, vice president; Rusty Miller, treasurer; Rosi Ritenour, assistant treasurer; and Dona Blanton, secretary. What a group! They spent many a long hour debating our class gift until a final decision was reached. Our senior dance proceeds were given to the school bond levy. But, as usual, time stole away our senior year; the fleeting minutes flew! Activities and events faded away: Football, basketball, baseball seasons, the plays, concert, "The King and I", honor banquet and lastly the prom. Now there is only one activity left for the seniors-graduation. Of course, our senior year was the best one of all our high school career. There was a lot of fun that mingled with the hard work.

There have many tears and many smiles-all unforgetable: Chemistry experiments (and explosions!), Mr. Theilmeyer's Biology lectures, Mr. Turner's jokes, countless compositions (including the I must not type), Civics notes, term papers, and thousands of other antics. Graduation will mark the end of our high school career, but it will not end our lives. High school is a stepping stone for the future. Soon each senior will leave the halls of Reading High, diploma in hand, ready to greet a new world face to face. Each will go a separate path always striving for the best of life. Each will forever cherish the dear memories emplanted by high school days. The Alma Mater will forever echo in the hearts of each senior forever. We have loved and honored Reading High and given our best efforts. Its teachings wi ll spur us on to success. There is nothing more to say. Graduating is like losing a very close and dear friend. But the world revolves, and we must revolve with it. Upward and onward! Yes, Reading High will always be a part of us, and we hope that we will always be a part of Reading High. We will never, never forget. NEVER!
